

Interdisciplinary Graduate Program in  
**Molecular & Cellular Biology**

*Fall 2012 Workshop & Seminar Series*

**“Endothelial Cells, Fat Metabolism, and the Protein  
That Cannot Be Named”**

**Brandon Davies, Ph.D.**

Assistant Professor of Biochemistry  
University of Iowa

*Molecular & Cellular Biology Faculty Candidate*

---

**"Synapse Formation, Loss, and Regeneration in the  
Cochlea: Role of Neurotrophic Factors"**

**Steven Green, Ph.D.**

Professor of Biology  
University of Iowa

*Molecular & Cellular Biology Faculty*

**Thursday, September 6  
4:00-5:00 p.m., 1289 CBRB**
